

# Requesting Checks With Written Consent Form

Once you have logged in to *fit2work* you can request a NZ Ministry of Justice Criminal Check and other background checks available through your account.

Separate consent must be obtained for every check submitted through *fit2work*, even if it is on the same applicant within a short period.

## Creating a check request

Click on **Create** in your *fit2work* dashboard:

### 1 Basic Details

Enter the personal details of the candidate who requires the check:

Basic Detail	
Given Name *	<input type="text" value="Test"/>
Middle Name	<input type="text"/>
Family Name *	<input type="text" value="Testington"/>
Email Address 	<input type="text"/> 

In cases where applicants have a single name/no given name, select  Does not have a given name and insert their full name into the 'Family Name' section.

If you are completing the candidate portion of the check application, you do not need to provide an email address for the candidate unless you would like to check if the candidate has a *fit2work* badge. If so upon their permission, you will be able to access and view their verified *fit2work* background checking results.

For more information on badging see below, or download a copy of the *fit2work* badging brochure available on your *fit2work* dashboard **Help** tab.

## 2. Select Check Types

### Badges

fit2work have created New Zealand's first identity and screening badging system. This system allows fit2work to hold verification confirmation on the system for candidates who hold a valid fit2work badge. All valid fit2work badges contain a police check conducted within a 6-month period which gives you assurance that the candidate does not have recent criminal records. Therefore, these candidates will be encouraged to renew their badges or checks every 6 months.

Badging provides an unsurpassed level of confidence in individual bona fides, can save time in the verification and screening process and can prevent unnecessary duplicate checks.

If your candidate has a fit2work badge, simply select the appropriate badge level from the options:

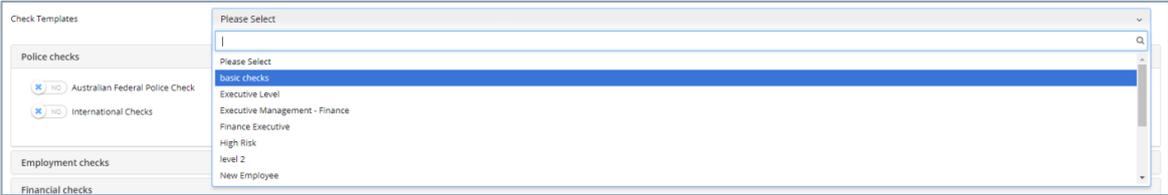

In order to enable the Silver and Gold badges you are required to opt in for DVS checks (electronic ID verification). For further information please contact our Account Management team via email: [Account.Management@fit2work.com.au](mailto:Account.Management@fit2work.com.au)

### Packages

A check package is simply a group of predefined checks. From the Packages dropdown an AO can select what check package they would like to order for this particular candidate. This removes the need to manually select multiple individual checks as outlined in the step below.

The screenshot shows a web interface with a 'Check Templates' section on the left and a 'Please Select' dropdown menu on the right. The 'Please Select' menu is open, showing a list of predefined check packages: 'basic checks', 'Executive Level', 'Executive Management - Finance', 'Finance Executive', 'High Risk', 'level 2', and 'New Employee'. The 'basic checks' option is currently selected and highlighted in blue.

## Manual Check Selection

Select the checks you would like to conduct by clicking on the checkbox. Once you have selected a type of check (or multiple), the checkbox will go blue and say 'yes', confirming the check has been selected.

Previous/Alias Names  Yes  No

Previous/Alternate Address  Yes  No

Cost Center Code

If an applicant has been known by a previous name or alias, enter their previous name in the **'Previous/Alias Names'** field:

I have previous/alias names  Yes  No

Name type	Name	Date of change	Action
No previous names have been added.			
<input type="button" value="+ Add Previous/Alias Name"/>			

As part of *fit2work's* policies, we ask applicants if they have stayed in their current address for the last 5 years (10 years for International checks). If the applicant selects the tick-box, they will be required to enter their additional address history in the 'Previous/ Alternate Address' field. As such if you are completing the application you must provide those additional addresses:

I have lived in the same address for 5 years  Yes  No

Address type	Address	Date of stay	Action
No previous address have been added.			
<input type="button" value="+ Previous/Alternate Address"/>			

**Note:** *The more additional information added, the greater the chance for a result to be returned quicker if the check has been referred for manual processing.*

## Identity Documents

In this section you must provide the required ID in order for the check to be processed. The preferred ID is a valid Passport however a valid Drivers Licence combined with the upload of a Birth Certificate or Citizenship Certificate can also be accepted.

The *fit2work* portal is a dynamic system that will prompt the AO or candidate to select and provide the appropriate ID for the checks selected.

The ID documents must either be certified by an authorised person (such as a JP or Medical Practitioner) or verified by an authorised member within the organisation. *fit2work* therefore assume that the selected and uploaded ID Documentation meets the verification requirements and therefore the status of each document will automatically update to **Sighted**.

Passport is required for this check. Please upload passport details.

Please ensure you match the below details against ALL Identity documents .

Given Name: Test      Middle Name:      Family Name: Testington  
 Birth Date: 01/01/1988      Sex: Male

## Review

The final step is to review the entire candidate and check information. Ensuring this information is accurate reduces like likelihood of manual processing being required.

**Note:** Please thoroughly review the details entered for the applicant before submitting the check. Once checks have been submitted past this stage, your ability to modify the content is reduced and your organisation will be charged for the cost of the check when it is submitted for processing.
